SHORT DESCRIPTION:

A fast-paced arcade survival game where you dodge predators, navigate dangerous waters, and master precise movement to help a shrimp escape capture. Play through a story-driven journey or test your skills in endless survival mode.

LONG DESCRIPTION:

Dive into the perilous depths of the ocean in Shrimp Escape, a thrilling underwater arcade survival experience that tests your reflexes and strategic movement. Playing as a nimble shrimp on a desperate journey home, you must outmaneuver aggressive marine predators, navigate treacherous currents, and survive increasingly difficult gauntlets of oceanic dangers.

Whether you are uncovering the narrative in the carefully crafted story-driven campaign or seeing how long you can last against relentless odds in the endless survival mode, Shrimp Escape offers tight controls and bite-sized, high-stakes action that will keep you coming back for "just one more run."

KEY FEATURES:

- **High-Stakes Arcade Action:** Master fluid, precise movement to dodge a diverse cast of deadly predators and environmental hazards.
- **Story-Driven Journey:** Experience a captivating campaign mode that takes you across dangerous and unique underwater biomes.
- **Endless Survival Mode:** Test your mastery of the mechanics and see how long you can survive in a frantic, endlessly scaling challenge.
- **Bite-Sized Replayability:** Perfect for quick sessions, featuring a satisfying learning curve that rewards quick reactions and smart positioning.

ABOUT THE CYBER YAK STUDIOS, LLC

The Cyber Yak Studios LLC is an independent game development studio founded by solo developer Jonathan Orellana. Driven by a passion for creating tight, mechanically satisfying experiences with a unique aesthetic, the studio aims to build memorable games that challenge and delight players.
